Collecting Bottle Caps

Please start collecting your plastic bottle caps and bringing them to church. We will have a bin in the back of church where you can place them. When we get enough caps, we can have a bench made for our church grounds from the recycled material. It takes 2,000lbs. of caps. Check out the poster & fliers in the back of church to see what kind of caps we can turn in.

We will continue to collect pop tabs in the back of church for the Ronald McDonald House. Keep saving them at home!!
